Western Washtenaw Recycling Authority

## How to Recycle...

Material Preparation Procedures

### Newspaper and Junk Mail Mix

- Newspapers and all glossy inserts are OK.
- Collect in a brown paper bag; secure with tape or string
- Keep dry for collection

### Magazines, Catalogs, Paperback Books, and Phone Books

- Bag together, separate from newspaper mix (above)
- Collect in a brown paper bag; secure with tape or string

### White Office Paper

- Bag separately from all other papers
- Collect in a brown paper bag; secure with tape or string

### Cardboard, Cereal Boxes, and Paper Bags

- Flatten corrugated cardboard boxes and cut into 2' x 2' squares
- Flatten boxboard—such as cereal, tissue, and shoe boxes
- Brown paper grocery bags, or same paper bags to be used for recycling paper, no bags made with plastic liners
- Consolidate in a paper bag separate from newspaper mix
- Staples and tape are OK
- No heavy waxed cardboard boxes, meat and fruit
- Waxed juice or milk containers are OK

### Plastic Bottles

- Only bottles please
- Bottles labeled #1 (PET) or #2 (HDPE) 3,4,5,7
- Milk jugs, water, juice, and detergent bottles
- Butter/yogurt type containers, kitty litter buckets
- No petroleum "oil based containers"
- Rinse well and flatten; labels may be left on
- Bag bottles or secure with a string
- No plastic bags separately

### Glass Bottles and Jars

- Clear, green, and brown containers (no blue!)
- Green and brown glass may be mixed at the drop-off
- Rinse clean, labels may be left on
- Recycle steel caps with cans
- No plates, china, ceramics, mirrors, or windows

### Tin and Aluminum Cans

- Aluminum and steel cans and lids
- Rinse out, and flatten if possible
- Empty aerosols are OK
- Small scrap metals and aluminum taken
- Car and Truck Batteries

### Used Motor Oil 24/7 drop off station outside the main gate.

WWRA collects and recovers waste oil to heat the processing facility. This unique program not only cuts down on hazardous waste, it also saves energy WWRA accepts used motor, hydraulic, transmission, gear lube, and fuel oils for recycling. These oils may be dropped off at the WWRA recycling facility at 8025 Werkner Road in Chelsea.
